Dear Ms. Sokolin-Maimon:

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, MCC Telephony of the West, LLC ("MCC") wishes to adopt in its entirety, the terms of the Wireline Interconnection Agreement and any associated amendments effective as of this date, if applicable, (the "Underlying Agreement") between Bandwidth.com CLEC, LLC (Agreement # CDS-080225-0001) and Qwest Corporation ("Qwest"), that was approved by the Commission on June 5, 2008, as an effective agreement in the State of Arizona. MCC is incorporated in the State of Delaware. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and MCC (individually, a "Party," or collectively, the "Parties") intend that this letter serves as their agreement ("Letter Agreement") for MCC to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement either party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder.

Notwithstanding the mutual commitments set forth herein, Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, a Party may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. MCC adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest Corporation and in applying the terms and conditions, agrees that MCC Telephony of the West, LLC be substituted in place of "Bandwidth.com CLEC, LLC" throughout the Underlying Agreement wherever the latter appears.
